

EZ Fare Box / Ticket Reader Cleaning Card CR80 (.010)

K2-HF10B50

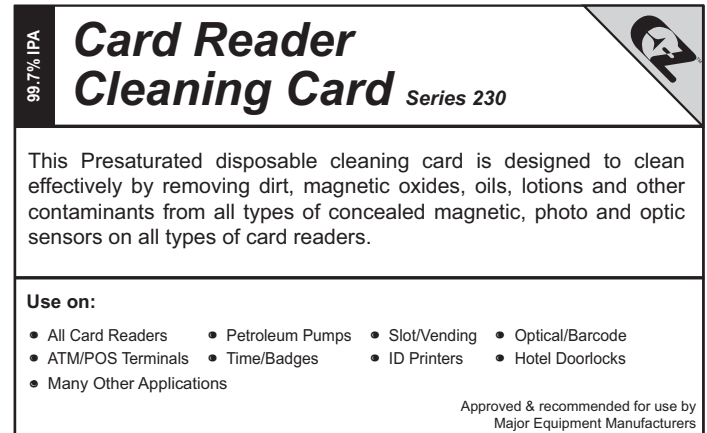

This product is designed to maintain card readers that read .010 thick in the transportation/parking industry.

When used it will:

- Clean the top of the magnetic heads and card pathways within the card/ticket reader

Use as:

- A scheduled maintenance product to prevent card reader failures
- An emergency maintenance product after card reader failures

How Cleaning Cards Work

Transaction devices, such as card readers and thermal printers, need to be maintained for performance reliability. Cleaning cards safely and easily remove dirt and other contaminants from within these devices without costly outside assistance. Each transaction device requires specific cleaning products to be used as preventive or corrective maintenance.
