

Cleaning to Prevent Errors

Waffletechnology Smart Card Reader Cleaning Card

KW3-HSCB40

This Waffletechnology Smart Card Reader Cleaning Card is designed to thoroughly clean the interior components of various card readers, including credit/debit card readers and smart card readers. When inserted it will:

- Remove dirt, magnetic oxides, lotions and other contaminants
- Clean the entire surface of magnetic read heads and read/write pins (present in smart card readers)
- Cleans more thoroughly than traditional flat cards

Use as:

- A scheduled maintenance product to prevent information misreads
- An emergency maintenance product to correct errors and misreads

How Waffletechnology® Works

The cleaning waffles are flexible, raised platforms that allow the card to clean previously unreachable areas within the equipment.
