

Cleaning to Prevent Errors

Seac Banche Check Scanner Cleaning Card for SB Series, RDS Series and Orion Scanners

This Seac Banche Check Scanner Cleaning Card with Waffletechnology is designed to maintain SB Series, RDS Series and Orion Check Scanners. When used it will:

- Remove endorsement ink residue, paper flash and other debris from scanner lenses and pathways
- Keep your Seac Banche SB Series, RDS Series and Orion Check Scanners performing as designed

Use as:

- A scheduled maintenance product to prevent poor check scans
- An emergency maintenance product to correct failed scans

How Waffletechnology® Works

The cleaning waffles are flexible, raised platforms that allow the card to clean previously unreachable areas within the equipment.
