

Cleaning to Prevent Errors

Ingenico Maintenance Cleaning Kit

KWING-KMT1
(Ingenico Part # 296118781)

The Ingenico Maintenance Cleaning Kit was designed and approved by Ingenico to be a complete cleaning kit for medium to large merchants that have multiple Ingenico card readers. The products included in this kit will:

- Safely and quickly remove air pollutants, dirt, oils and other contaminants that inevitably migrate onto and into the card readers.
- Quickly and safely remove contaminants from Ingenico card reader's chassis, screens and keypads.

Kit Includes:

- Forty (40) Ingenico Cleaning Cards
- Forty (40) Ingenico Dual Wipes
