

## Multi-Surface Clean Swab (IPA Free)

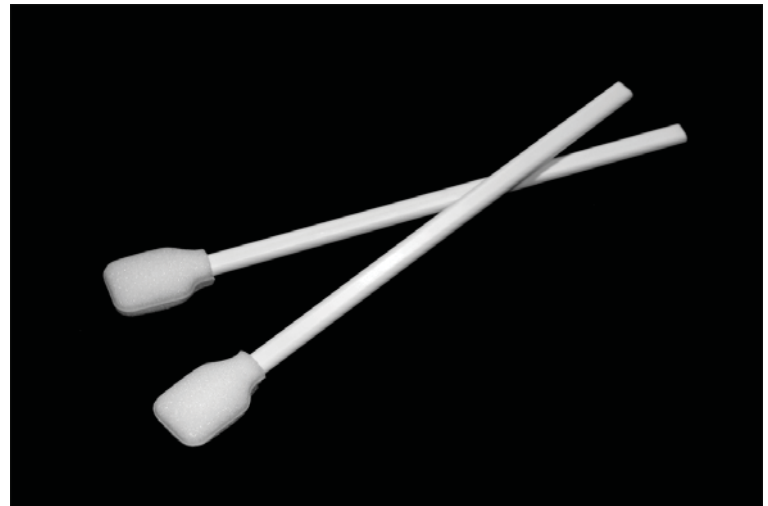

K2-S6T50WS

This swab, complimented with Wonder Solvent solution, is ideal for removing inks and other stubborn contaminants from hard surfaces. When used it will:

- Clean glass and sensitive optics
- Clean hard plastic and other surfaces
- Clean print heads, transport belts and rollers

### Use as:

- A scheduled maintenance product to prevent equipment failures
- An emergency maintenance product during equipment failures

## How Cleaning Products Work

Transaction devices, such as card readers and thermal printers, need to be maintained for performance reliability. Cleaning cards and products safely and easily remove dirt and other contaminants from within these devices without costly outside assistance. Each transaction device requires specific cleaning products to be used as preventive or corrective maintenance.
